C: Public Forum

Susan Frommer reported that Friday January 10, 2020 that she will be attending a meeting with Supervisor Jeffries Staff concerning Airbnb's. The La Cresta Homeowners Association is trying to get the County involved to change Ord. 927 that would limit certain activities on these properties. Currently if Airbnb receives several complaints then they

will not let a property owner advertise on the Web Site. Since the Airbnb's started more cars have been broken into and overall crime has increased.

Discussion followed about some parties at the Airbnb's and possible drug usage.

Several other items were discussed as follows:

- a) It was suggested that possibility having drug enforcement involved.
- b) Having a check point at La Cresta and Clinton Keith.
- c) Making a logo sticker for vehicles that would only be given to residents so that others would know they live in the area. If a car didn't have a logo sticker it could be recognized as a visitor or a possible trouble maker.
- d) Talks about getting law enforcement in the area more often. Since Tenaja has police powers, perhaps the other HOA's would financially join efforts to police the area.
- e) Installing a fake box on a pole that said "smile your on camera"
- f) Research to find change of ownerships and issue welcome package that defines the rules and regulations of Tenaja.
- g) Limiting the Wedding Venues.

Director McDaniel reported that a meeting is set with code enforcement and representatives from Supervisor Jeffries office. The Wedding Venues will be discussed at that meeting. Further he commented on the rocks and trash bin that Mr. Len Nelson has in front of his property. With the current law suit concerning rocks in the right of way on Via Volcano and Avocado Mesa, the boulders that Len Nelson put in the roadway easement should be removed.

Action: With Board's concurrence Staff was asked to contact Legal Counsel, Hugo Anderson, and have him write a letter on the District's behalf to Mr. Len Nelson asking him to remove the trash bin and rocks and boulders.

Staff noted a possible error on one proposal (Bill and Dave's) and wanted to contact them to verify details. In the meantime, the sooner the spraying takes place the better the results should be before the weeds get too tall. The Roads committee is scheduled to meet January 16, 2020 and if the Board would like to expedite the weed abatement they could authorize the Roads Committee to review the proposals and approve the contract.

ACTION: On a motion by Dir. McDaniel and Second by Dir. Hoboy-Tenore, the Road Committee was given authorization to approve the project up to \$15,000. Motion carried Ayes: Dirs. Becker, McDaniel, Hoboy-Tenore, Natale, and Millington.
